

## **MK SDA Church Family Worship Services**

Sis Anouska Sammy has been leading the Stewardship Ministry for a few years and during this time, she has been organising Church Family Worship Services. This may seem strange seeing as for many they associate Stewardship with money management and in particular, returning a faithful tithe and offering. Being faithful stewards covers a wide range of topics including worship.

Research indicates that worship in the home as families does not happen as often as it did in the past. Whilst there may be several reasons as to why this is the case, we also make assumptions that everyone knows what family worship is for and what sort of things we need to do. Seeing as Anouska is one of those who strongly believes in the importance and relevance of having worship in the home, no matter the dynamics of the family, she has been trying to re-ignite the fire so that members in Milton Keynes church would go and do likewise.

Understanding that and may want a work, Anouska 'Home' family Family worship arranged to involve demographics in the three vital readings and Prayer.

the presence of the Holy Spirit leads to a programme that is enjoyed by everyone young and old, with many not missing the absence of a sermon! This started in 2017 and by popular demand it has continued for the 3<sup>rd</sup> consecutive year. May she continue to be a steward of the Lord and bless the church with her family worship services.

people learn in different ways demonstration of how it could ventured to incorporate the worship within the 'Church' setting! The service has been as many of the different church family emphasising ingredients: Singing, Scripture All these mixed together with
